5-MINUTE SPIRITUAL APPLICATION: BUILDING ON THE ROCK (MATTHEW 7)

"Everyone then who hears these words of mine and does them will be like a wise man who built his house on the rock. And the rain fell, and the floods came, and the winds blew and beat on that house, but it did not fall, because it had been founded on the rock." • **Matthew 7:24-25**

Message to campers: Look at what happened when heavy weights were loaded into your boats today. The boats that held the most were not always the flashiest. They had solid, balanced foundations, tight seals, and careful craftsmanship. In life, God gives each of you resources: time, energy, choices, and friendships. Some people spend everything on quick sweet treats. Those treats looked completely normal and appealing, but they drained resources away from the ship. That is how temptation works in our lives: it looks harmless and delightful, but it distracts us from what matters. Other teams worked hard on Bible challenges, memorized Scripture, bought solid materials, and planned ahead. In life, build your foundation on God's Word!
