

SHOPKEEPER OPERATIONS GUIDE

Confidential Helper Instructions • Materials Store & Bank Management

STAFF ONLY

☑ SHOP STATION SETUP (DO THIS FIRST)

- **Table placement:** Place your table with your back to supply boxes. Campers stay in front. Never let campers reach into boxes.
- **Sweet treats:** Put them right in front of the counter in an attractive clean tray. Keep them looking appealing and completely normal.
- **Bank box:** Keep the cash box (poker chip bank) behind the table next to your clipboard.
- **Scissors return bin:** Place a box labeled "Returned Scissors" behind you.

🕒 TAPE DISPENSING STANDARD

Never hand a team a roll of tape. You measure and tear:

- 1 Pull tape from your fingertips to your shoulder (~2.5 feet).
- 2 Tear or cut cleanly with your scissors.
- 3 Stick the top 1/2 inch to table edge for the camper to grab.

→ Duct Tape = 5 Chips • Masking Tape = 3 Chips per strip.

🕒 Strict Closing Policy

Shop closes at exactly Minute 38.

Give a loud 5-minute warning at Minute 33. When the clock hits Minute 38, close the boxes and declare the shop closed. Even if a team begs for tape, hold the line. Engineering requires respecting the launch deadline!

★ The Subtle Temptation Dynamic

Pedagogy: In the real world, temptation never advertises itself as a trap. It looks harmless, pleasant, and appealing. Do NOT label treats as "bait" or warn campers.

Script when approached:

Camper: "Can I buy a treat?"

You: "Sure! 2 chips for regular, 3 for deluxe. Chips on the counter first!"

When an upset treasurer arrives:

Treasurer: "They spent our boat money on snacks! Can we get our chips back?"

You: "All sales are final. Part of teamwork and life is communicating with your team and managing your resources wisely. Send runners to earn chips back!"

📦 EXCHANGE & RETURN RULES

- **No returns:** Used tape, crumpled foil, or cut cardboard are never accepted back.
- **Even swaps (First 15 min only):** Uncut 500 mL bottles or undamaged craft sticks can be swapped for an item of equal or lesser value.
- **No cash refunds:** Never hand poker chips back once paid into the shop bank.
